

Instructions for Craft Sale Listings

Use a small round removable sticker for each piece being listed. Stickers are available at office supply stores. On the sticker and on the listing, use a unique number to identify each item. The number should consist of the artist's initials and a sequential number along with a price for the item. Example:

On the Craft Sale Listing sheet, enter the item number for each piece, a brief description (e.g. "small bowl") and the price. Place the sticker on the piece for sale.
