This will be a rather short newsletter this month, due to the fact that very little is happening. Maybe everyone is on vacation and having fun.

During our board meeting held earlier this month we discussed several areas that would require future action. They were as follows. A nominating committee needs to be set up for the election of new officers for the coming year. If you will remember we moved the election of officers up to November rather than December so the names of the new officers could get into the AAW roster. Fred will be contacting a few of you to help in the near future.

The big question was the BBQ to be held in October. I sent out an email earlier this month asking for a person or persons to be in charge of the organization required. Ed Jones and his wife Twila have offered their home and ED's shop as a place to hold the BBQ. Since this is Ed's first year in the club they didn't know just what to expect in numbers of guest and what do you do with them. From my email I had one response, Marge Hunt. Marge has been in charge of several BBQ's and parties so felt comfortable working with Twila to make the day a success. At this time they are already planning the day. Out of almost 50 members only one response and that was from a spouse. It appears as if we better get more female members if we are going to get anything done. will need help so if called on please say yes. We all owe a debt of gratitude to these ladies.

We reviewed the list of items voted on by the members at the July meeting. The top priority was the purchase of new video equipment. Ken Fulkerson has done considerable research on new equipment and we will be asking for a vote soon for the expenditure.

EMPTY BOWLS is September 13th. If you are planning to contribute "soup bowls" or items for the silent auction please get them to Don Jordan (778-4066) by September 1st. If you do have items for Don it would be good to call him so he knows about what to expect in volume.

Our August meeting as you know is the sale on the Court House Square. We will be setting up on Friday night, around 5 PM. Sometimes it is a bit later depending on when the Judge leaves. If you signed up to set up, turn or take down we will see you there. Let's hope the crowd has money in their pocket this weekend.

The September meeting will feature Dan Liggett. His demonstration is cutting turning blanks with a chain saw. Hope to see you there!

Larry Dorrell
